

SCHOOL AGER NO NOTICE POLICY

The Wiggle Room requires that any child who is enrolled for after school pickup to give notice by 2 pm on any day that their child will not be riding in The Wiggle Room van. Notice may be given by phone call, Bright Wheel message or email to wiggleroompasadena@hotmail.com.

If notice is not given by 2 pm, your child will be expected to be present for pick up. If they are not present A \$5 FEE WILL BE ADDED TO YOUR ACCOUNT.

When we are not aware that children will not be riding The Wiggle Room van, we have to wait for teachers to try to locate the child. This makes us late to the schools that we go to next. We also waste gas as we sit and wait to figure out the status of the child.

We do not require parents to notify us if their student will not be present for the morning bus run. If your student is not here by 7:15 am, you will need to find an alternate way for them to get to school.

I understand that I will be charged \$5 for each day that I do not provide timely notice of my child not needing after school transportation.
